

Groups

- Origins
- Earth & sky
- Giants & monsters
- Night & underworld
- Sea
- Ocean & nymphs
- Sun, moon & dawn
- Prometheus & Atlas
- Magic & prophecy
- Olympians

Rings

Reading the map

Ancestry runs outwards from Chaos at the centre, one ring per generation.

Each box takes its own group's colour. An outline surrounds the children of one parent, drawn in that parent's group colour. Where two outlines overlap, the figures inside share both parents.

Stacked cards are collectives. Leto, Maia, Metis, Semele and Clymene have no recorded parents here, so each sits in the same ring as their partner.
